

Prashanth GK

Mobile Developer (iOS & Flutter) / UI/UX Designer

– Einnel Technologies

EXPERIENCE

Mobile Developer (Flutter / Swift UI) / UI/UX Designer

Einnel Technologies

Mar 2023 - Present - Chennai

- Developed and maintained iOS apps (Swift & SwiftUI) and Flutter apps with cross-platform UI.
- Implemented MVVM architecture, state management, and clean, bug-free code.
- Integrated third-party APIs, Firebase notifications, and Google Auth MFA.
- Optimized app performance, reducing launch time and improving user retention.
- Designed UI/UX in Figma and collaborated in Agile/Scrum teams for timely delivery.
